

## LITTMAN BRANDS: FIVE UNIQUE BRANDS — ONE LIGHTING RESOURCE

LITTMAN BRANDS offers unique, high-quality lighting designs for the residential, hospitality, and contract arenas (including custom designs) through its distinct brands: Corbett Lighting, Hudson Valley Lighting, Troy Lighting, Troy RLM Lighting, and CSL (Creative Systems Lighting). While each brand reflects an individual identity and specialization, they all maintain the promise of uncompromising quality, expert craftsmanship, and groundbreaking design. Littman Brands' in-house engineers and designers are based throughout the company's expansive domestic and international facilities, including a dedicated 200,000-square-foot manufacturing facility in City of Industry,

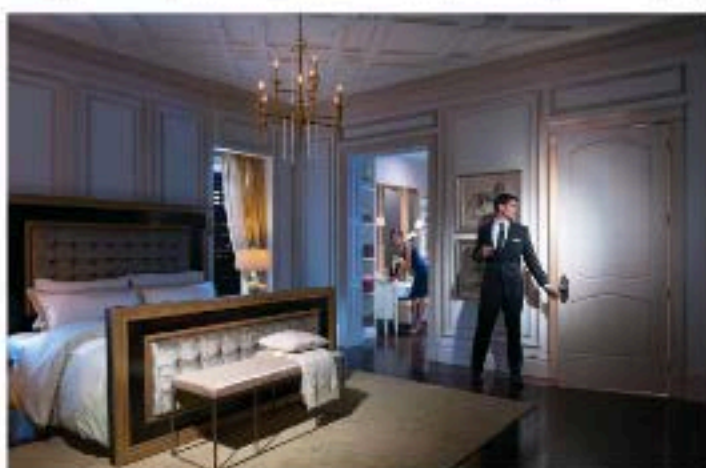

Calif.; a 100,000-square-foot facility in Newburgh, N.Y.; and wholly owned manufacturing facilities abroad. Littman Brands' also houses a 17,000-square-foot showroom at the Dallas Market Center. Littman invites ASID members to join Littman Brands' Trade Program, an exclusive Personal Use Program that offers members special promotions and pricing on all its brands — offered through the end of 2015. ## KELLY-MOORE UNVEILS SUPER PREMIUM INTERIOR MATTE FINISH: DELIVERING BEAUTY WITH DURABILITY

KELLY-MOORE has added a matte finish to its DuraPoxy line of super premium interior paint. With DuraPoxy Interior Matte, the high design appeal takes center stage while offering superior color

fastness, great washability, and stain release. The DuraPoxy Matte also is highly resistant to stains and mildew. As with the entire DuraPoxy family, the new matte is a 100 percent acrylic formulation, low VOC with easy water cleanup, and contains an antimicrobial agent to ensure very low odor. This excellent stain resistant product has been crafted to provide outstanding adhesion and to stand up to repeated scrubbing and washing that occurs in high-traffic areas. DuraPoxy's superior stain release quality allows everyday stains, such as coffee, fingerprints, and pen marks, to wash off easily. Available at Kelly-Moore retailers now, DuraPoxy Matte is designed for both residential and commercial applications. To learn more, visit <http://kollymoore.com/>.

## METRIE: EVERY ROOM TELLS A STORY

SINCE 1926, Metrie has helped to transform spaces with exquisitely crafted architectural trim. Metrie's dedication to quality, innovation, and design has helped it grow to become the largest manufacturer and distributor of interior finishes in North America. Today, Metrie offers something you can't find anywhere else: complete collections of design-coordinated interior mouldings and doors. The

company's Then & Now Finishing Collections include perfectly coordinated elements: crowns, baseboards, ikons, interior doors, and more. Metrie has considered the proportions from every angle in its exclusive designs to take the guesswork out of selecting mouldings and to ensure that every piece works together to achieve professional results. Metrie collections blend past and present into timeless. So you can set the stage, room by room, and let life unfold day by day. Visit [www.metrie.com](http://www.metrie.com).

## TOP-LEVEL DESIGN: IT'S TIME TO RE.DESIGN YOUR DOMAIN

THE INTERNET is changing. You may now choose from hundreds of alternatives to .com, .net, and .org to describe who you are and what you do.

Interior designers and other creatives finally have the opportunity to present their work in a unique, powerful, modern way — with a .design domain name. May 12 marked the launch of .design, along with a new domain name registration site, [interior.design](http://interior.design), providing interior designers with

a one-stop shop for securing their .design domain name. Whether you're building a website from scratch or just sprucing up an existing site with a sleek, new .design domain name, interior.design makes it easy. And, interior.design prides itself on customer service, so help is always close at hand. First impressions have never been so powerful. ASID members, use promo code ASID50 to receive 50 percent off your domain name for the first year. To take advantage of this great offer, visit [www.interior.design](http://www.interior.design).
