

NEW PRODUCTS

< EMPRESS ME

Pacific Coast Lighting's Empress table lamp with Antique Mercury copper and a Warm Gold finish is made of metal and glass. A brown polyester blend drum shade finishes the piece, which measures 18 inches by 18 inches by 19 inches tall. The lamp takes two medium base bulbs, 100W each, and it switches on and off with a pull chain.

^ DROP OF A HAT

Perfect for dining areas and bar tops, Drop Hat, a sleek metal disc that slides onto the Drop Cap pendant from Plumen, is available in Black, White and three metallic finishes: Brushed Brass, Chrome and Copper. The polished metallic discs create reflections and color the mirrored light, which adds ambiance and drama to a space. www.plumen.com

RIGHT RETROFIT ^

Nora Lighting's Cobalt series of LED retrofit downlights now features a 4-inch Premium Deep Cone Reflector/Baffle model. The downlight throws 1,000 lumens and has a commercial-style optical cut-off that reduces glare. The Cobalt series is UL/cUL-listed for use in existing IC or non-IC housing; Energy Star®-rated; and available in Bronze, Diffused Clear, Hazel and White finishes. www.noralighting.com

< IN THE SWING OF THINGS

The 2-inch LED Cylinder adjustable pendant light from CSL has a 120V input LED driver, 20W output and is UL/cUL-listed for wet locations. Available in 20 finishes, including Lime Green shown here, the pendant has a machined aluminum housing and comes with 4 feet of stem and 30-degree, 50-degree and 80-degree optics. Cord-hung and flush-mount options available. www.csllighting.com

< WALKING ON AIR

Meyda Custom Lighting's Smythe Quarrystone chandel-air is a dual-function lighting/fan system featuring energy-efficient technologies. Handcrafted by artisans in New York, the fixture is available in custom styles, sizes and colors, along with dimmable options (shown with Natural Stone and Wrought Iron-finished hardware). UL- and cUL-listed for damp and dry locations. www.meyda.com
